GENERAL INTRODUCTION

2019 International Conference on Information Technology and Education Technology (ITET 2019) will take place in Singapore during November 25-27, 2019. It is an interdisciplinary forum for educators who wish to improve the quality of instruction through the use of computers and how to implement it effectively into instruction. It also aims to provide a platform for exchanging ideas in new emerging trends that needs more focus and exposure and will attempt to publish proposals that strengthen our goals.

PUBLICATION & SUBMISSION

We are pleased to note that International Journal of Information and Education Technology will devote a special issue to selected papers from ITET (ISSN: 2010-3689; Abstracting/ Indexing: Scopus (Since 2019), EI (INSPEC, IET), Electronic Journals Library, Google Scholar, Crossref, etc.)

Submissions to ITET are available in the electronic submission system. (<http://confsys.iconf.org/submission/itet2019>).
